

Fluid Dynamics USA Warranty Policy (Residential)

Products Covered: Housetron

Money Back: Each product is covered by a 1 year money back guarantee. Each product must have been registered when purchased and a copy of the original invoice/receipt must be returned to Fluid Dynamics USA along with the returned product in good condition to make this claim. The original purchase price less shipping, installation, removal, or other additional non-product costs will be reimbursed either through a check, credit, or replacement product.

Materials Warranty: Each product is covered by a 3 year manufacturer's warranty on materials and construction. Improper installation or abuse of product will void this materials warranty.
